LASER SHOT LBP-3460
Mono Laser Printer

Fast, network ready and auto-duplexing.
This high performance laser printer is ideal for small business or workgroup printing.

Key Selling Features

- True 33 pages per minute^{1,2} print speed with instant warm up.
- 10Base T/100BASE-TX Ethernet as standard with NetSpot Console software.
- PCL 5e/6 and UFR II with 64MB RAM delivers fast print response.
- Auto duplexing as standard.
- First print out time in less than 8 seconds with Canon's unique On Demand Fixing Technology.
- 600 x 600 dpi (2400 x 600 dpi equivalent with AIR) produces enhanced quality text and graphics.
- Standard 250 sheet cassette + 100 sheet multipurpose tray and an optional 500 sheet cassette feeder to handle heavy workloads.
- Small footprint, low noise and low power consumption.
- Flexible printing onto a variety of media including paper, transparencies, labels and envelopes.

Short Description

Perfect for the small business or professional home office, the stylish LASER SHOT LBP-3460 combines 33 page per minute^{1,2} speed with instant warm up, so your important business documents are printed with no downtime. Canon's Automatic Image Refinement (AIR) produces exceptional edge definition for font and graphics (equivalent to 2400 x 600 dpi), enabling you to make a big impression with your documents. Reduce your ownership costs with the LASER SHOT LBP-3460: stand-by mode will ensure it is always ready to print without wasting electricity; while toner save mode allows you to print up to double the number of pages than in normal mode from the same all-in-one toner cartridge. Ease of connectivity to your PC and network with USB 2.0 and Ethernet. Windows 98/Me/2000/XP³.

Print Speed

- The LASER SHOT LBP-3460 has a speed of 33 ppm^{1,2} with instant warm up time for fast printing.
- On Demand Fixing means the LASER SHOT LBP 3460 is ready to print when you are.

Integrated Networking

- The LASER SHOT LBP-3460 has a built in network card for seamless integration into your network.

Auto-Duplexing

- The LASER SHOT LBP-3460 incorporates automatic double sided printing for convenience and cost savings.

All-in-one Cartridge

- The LASER SHOT LBP-3460 incorporates Canon's successful All-in-One cartridge system. The concept of the All-in-One cartridge is simple – the most essential elements: drum and toner unit, are combined in one container. This technology ensures that changing the Cartridge 310 is quick, clean and easy and also makes the LASER SHOT LBP-3460 virtually maintenance free.
- The LASER SHOT LBP-3460 also has a high yield cartridge available (310 II) to cater for high volume jobs.

Additional Benefits

- Includes NetSpot Console software to assist in managing your Canon devices that are connected to your network.
- Low power consumption during printing, saving on operating costs.
- Switches to stand by mode within seconds of finishing a print job.

LASER SHOT LBP-3460 Specifications

Printer Type	Desktop printer with electro photographic printing using laser beam printing.
Printing Speed^{1,2}	33 pages per minute.
Resolution	600 dpi Automatic Image refinement produces the equivalent of up to 2400 dpi in the horizontal axis.
Method of Fixing	On Demand Fixing System.
Warm-up Time	0 seconds (less than 10 seconds when the printer is turned on).
First Print Out Time^{1,2}	Less than 8 seconds.
Printing Language	PCL 5e, PCL 6 and UFR II.
Fonts	Std. PCL 80 Scalable fonts, 10 Bitmaps fonts.
Memory	64MB (Max 320MB).
Paper Handling	250 sheet auto-feed standard tray and 100 sheet multi-purpose tray. Paper-out sensor for Multi-Purpose Tray, Face down delivery (up to 100 at 64 gsm sheets – face down). Optional 500 sheet paper feeder.
Toner Cartridge	Cartridge 310/310 II all-in-one Microfine toner/drum cartridge with selectable toner density, contrast/brightness and Toner Saver modes. Approx 6,000 pages per cartridge (310) and 12,000 per cartridge (310 II) ¹ (up to twice this capacity if Toner Saver mode is used).
Paper/Media Type	Plain paper (60-163gsm, laser –compatible Letter/A4 transparencies, laser compatible A4/Letter matt finish labels, plain paper non-window envelopes (COM 10, Monarch, DL,B5 or C5 size), index/postcards (min 76.2 x 127mm). 5mm margin from paper edges, all directions.
Print Area	10Base T/100BASE-TX Ethernet, Universal Serial Bus 2.0 (USB 2.0).
Interface³	Windows ® 98, Windows ® Me and Windows ® 2000 and Windows ® XP.
Supported OS³	Approx. 16.1kg (excl. cartridge).
Weight	AC 220/240V (50Hz) with power switch.
Power Source	Printing: 572W, Maximum: 1300W, Standby: 11W
Power Consumption	445 x 410 x 273 mm (WxDxH).
Dimensions	During stand-by; virtually silent due to fan-less design. Background noise levels in accordance with ISO 9296; during printing 52 dB or less.
Noise	LASER SHOT LBP-3460, Starter cartridge 310, User Software CD-ROM, Getting Started Guide, Power cord.
Included As Standard	500 sheet paper cassette (PF-36). RAM: 64MB (ER-64), 128MB (ER-128), 256MB (ER-256).
Optional	Return to base, 12 month warranty.
Warranty	

1. Based on 5% coverage on an A4 sheet.
2. Print speed may vary with the content of the document and processing speed of the host computer.
3. USB 2.0 Hi-speed performance requires Windows XP with Service Pack 1 or Windows 2000 with Service Pack 4 with pre-installed USB 2.0 High-speed port. Drivers are provided for Windows operating systems only. Other operating systems are not supported.
